MEMORANDUM FOR : FILE

FROM: []

SUBJECT: Conversation with Mr. Winston Scott re DOCHEV.

1. At 1500 today, I talked with Mr. Winston Scott of I&R with regard to the present status of our negotiations with DOCHEV. I told him that I was going to see Dochev tomorrow and sound him out on what he had to offer. I said that I would be under an alias, and that I would not reveal the fact that I worked for CIA, but would say that I represented the U.S. Government.
2. I stated that if anything developed out of this meeting that it would then devolve upon my successor, [] to carry the ball on any further negotiations, and probably, if we were going to use the man at all, that it would be advisable and/or necessary to bring him to the U.S. where we could control him and see him regularly.
3. Mr. Scott said that he felt that that was all right, and that he could not see what complaint the Canadian Govt. would have even if they learned of this meeting. He said that if he got any complaints, he would call me, but that in the meantime, he did not need to know my alias.
